Dear CARE House Hero,

CARE House was opened nearly 11 years ago when Law Enforcement identified a need for a more effective and efficient facility to provide forensic services to victims of maltreatment. To date, CARE House has served over 6,200 children in need of our services. CARE House started out with its primary focus on forensic interviews and medicals. Over the last 11 years, we have broadened our focus to encompass mental health services to aid in the healing process. Some of the therapies offered include, Trauma Focused Cognitive Behavioral Therapy, Alternative to Families a Cognitive Behavioral Therapy, and Parent-Child Interaction Therapy. We also provide advocacy to every family that walks through our doors. CARE House was founded because of a need that was presented and today we are striving to meet this need better than we ever have.

CAPES For Kids Run, formally known as the Carver C.A.P. Run, is celebrating its 7<sup>th</sup> annual run this April. This run was started by a Carver Elementary teacher who lost a beloved student in 2011. That student was Tylashia Grant, a 3 year old who died due to physical abuse and neglect. Every year this run is held to honor her life and to raise awareness!

Enclosed are our sponsorship opportunities which show some of the benefits that our sponsors receive by being part of the event. I look forward to speaking with you further regarding our sponsorship opportunities, and look forward to having you as a part of our event this year.

Should you have any questions, please feel free to contact me at any time at (843)629-0236 or via email at [shill@thecarehouse.com](mailto:shill@thecarehouse.com).
